

Deep Blue Luxury Apartments

Deep Blue is the latest luxury development located at Tangalooma Wild Dolphin Resort, Moreton Island. These 4 and 1/2 star beachfront luxury apartments are situated on the west coast of the island with stunning views across Moreton Bay and Glasshouse Mountains and offer the ultimate island resort style living. These apartments are located in the prime position for guests to view the nightly hand feeding of a pod of wild dolphins from the comfort of their own private outdoor recreational and entertainment area.

Deep Blue is the latest luxury development located at Tangalooma Wild Dolphin Resort, Moreton Island. These 4 and 1/2 star beachfront luxury apartments are situated on the west coast of the island with stunning views across Moreton Bay and Glasshouse Mountains and offer the ultimate island resort style living. These apartments are located in the prime position for guests to view the nightly hand feeding of a pod of wild dolphins from the comfort of their own private outdoor recreational and entertainment area. Where else can you sit back and relax on your entertainment deck and watch these playful creatures in their natural environment?

With a unique design that ensures total privacy to all apartments and outdoor living areas with built in BBQ's, this 2 and 3 bedroom apartment complex enjoys an absolute beachfront location within the resort surrounded by the Moreton Island National Park.

Magnificently landscaped in a subtropical setting, the apartments have access to a private pool, BBQ areas and come with an optional lock up garage. The interior of the air-conditioned apartments includes a spectacular kitchen, European stainless steel appliances, lift access and quality finishes throughout.
